Joel Kurtzberg Speaks on the Subtleties and Safe Zones of Off-Label Communications at ACI's FDA Boot Camp

Thursday, March 24, 2022 3:00 PM to Thursday, January 1, 1970 12:00 AM

Partner Joel Kurtzberg spoke at the American Conference Institute's (ACI) 38th Annual FDA Boot Camp, held virtually this year, on Thursday, March 24, 2022. Joel's panel, "Exploring the Subtleties and Safe Zones of Off-Label Communications," reviewed the FDA's current and historical position on the First Amendment and off-label promotion.

For over 15 years, ACI's conference has been the training grounds for life sciences attorneys and executives to master the fundamentals of FDA law and regulation. The FDA Boot Camp brings together a distinguished faculty of top FDA regulatory authorities to share their knowledge and provide critical insights on various core FDA concepts.
