Cahill Serves as Antitrust Counsel to Winters Bros. Waste Systems, Inc.

Date: 08/31/07

Cahill served as antitrust counsel to Winters Bros. Waste Systems, Inc. in connection with its $281 million sale to IESI Corporation, a subsidiary of BFI Canada Income Fund.

Winters Bros. provides collection, transfer and recycling services to commercial and industrial businesses, residences, municipalities, and construction sites, primarily in Long Island. It operates eight transfer stations and multiple collection operations.
