Our Private Credit practice leverages off our leading [Banking & Finance](#) and [Capital Markets](#) practices where we have long been recognized as the leading law firm in leveraged finance and non-investment grade debt securities. Cahill's position as the leading adviser to banks in leveraged lending produces tangible benefits to its Private Credit clients where continuously evolving market terms for private credit and structured equity investments often originate in the large cap leveraged financing and high-yield markets. Cahill's leading market knowledge of emerging trends allows our lawyers the dexterity to match the right deal technology and deal terms with each client's particular transaction needs, regardless of deal size.

Cahill's Private Credit practice operates across all major industries, including business services, e-commerce, energy, entertainment, financial services, food & grocery, healthcare, infrastructure, manufacturing, oil & gas, pharmaceuticals, real estate, telecommunications and travel. Clients rely on Cahill to deliver solutions-focused advice and deal execution in some of the most challenging transactions in the market today. Our transactions further span acquisition financings, leveraged buyouts, going-private transactions, recapitalizations, project financings, bridge lending and loan commitments.
