Cahill Gordon & Reindel LLP has again been ranked among the top litigation practices by *Benchmark Litigation* in its 2016 edition, which names Cahill among the leading firms in New York and nationally in: general commercial, antitrust, insurance, securities litigation, and white collar crime practice areas. *Benchmark Litigation* has ranked Cahill in its highest tier ranking since publishing its first edition in 2008.

Eighteen Cahill litigators have been named "litigation stars," "local litigation stars," or "future stars" in the 2016 edition, based on market feedback and commentary by sources that included, "That's just a fantastic team getting fantastic results. All of them are really doing a bang-up job on those cases."

Published by *Euromoney Institutional Investor PLC*, and focused exclusively on the U.S. litigation market, Benchmark Litigation's rankings and editorials are the result of extensive interviews it conducts. "Local litigation stars" reflect lawyers who are recommended by peers and clients to have established consistent reputations as reputable and effective trial attorneys.
