
New York

To apply for any position listed below, please submit a resume, transcript and cover letter [here](#).

Information about U.S. associate salary disclosures can be found [here](#).

Tax Associate Search

We are seeking a tax associate with two to four years of tax experience. Prior law firm experience preferred.

We regularly represent issuers and underwriters in connection with the tax aspects of capital market transactions, including bank financings, securities offerings, exchange offers, tender offers, and consent solicitations. Experience in this area is preferred.

Candidates must have excellent oral and written communication skills, a strong academic background and be admitted to the New York Bar.

This is an excellent opportunity to join a leading, dynamic, and rewarding practice. More information about our practice can be found [here](#).

Corporate Associate Search

We are seeking a senior associate (7+ years) corporate transactional lawyer with a focus in the infrastructure and energy industries. Experience should include project finance, infrastructure development, public-private partnerships, mergers and acquisitions, and general corporate advice.

Environmental, Health, Safety and Sustainability Associate

We are seeing a midlevel associate with three to five years of experience working as an environmental lawyer at a law firm particularly in the areas of financial transactions and M&A. The ideal candidate will have a working knowledge of the major federal environmental and worker safety laws and environmental, social and governance (ESG) principles. Candidates should have superior research, analysis and written and verbal communications. Compliance counseling, litigation experience and negotiation skills would be a preferred but is not required.

Candidates must have strong academic credentials, be a team player with strong leadership skills and be admitted to the New York Bar.
