
Three Cahill Partners Speak to Women in Bio

Wednesday, July 18, 2018 7:00 PM to Thursday, January 1, 1970 12:00 AM

[External Link: To register for the webinar visit www.womeninbio.org](http://www.womeninbio.org)

Helene Banks, Chérie Kiser and Kimberly Petillo-Décossard of Cahill were joined by Beth Levine of Regeneron in offering a webinar for Women in Bio, a nationwide professional association for women in the biotech community. The webinar focused on how each navigates the male dominated boardrooms and c-suites, often as the only woman in the room.
