

David Owen Speaks on Cybersecurity and M&A

Tuesday, December 3, 2019 1:00 PM to Thursday, January 1, 1970 12:00 AM

Cahill partner David Owen spoke at the Association for Corporate Growth (ACG) NY Forward Breakfast on December 3, 2019. The panel focused on the rising importance of cybersecurity due diligence and its impact on M&A deals. The discussion touched on how private equity investors can take a proactive approach to protecting their digital assets, increasing investor confidence, and establishing a competitive advantage.

ACG NY Forward is a young professional group started by ACG New York to promote the growth of mid-level professionals focused on M&A and deal making in the tri-state area.
