On Tuesday, December 1, partner Brock Bosson appeared as a panelist on “Know Your Vendor: How the Public and Private Sector Identify and Manage the Risks,” a webinar hosted by the Association of Certified Financial Crime Specialists (ACFCS) and Thomson Reuters. In this webinar, the panelists discussed best practices in taking a risk-based approach to vendor management, and the importance of continual monitoring and evaluation. They discussed:

- The financial, reputational and even personal risks associated with fraudulent vendors.
- How to spot and understand the risk indicators.
- Best practices for knowing your vendor.
- How technology can assist in identifying and managing risk.
