

Samson Enzer Speaks on Cryptocurrency Panel for the Wall Street Blockchain Alliance

Wednesday, July 27, 2022 5:00 PM to Thursday, January 1, 1970 12:00 AM

On Wednesday, July 27, counsel Samson Enzer spoke on a panel entitled “The SEC Strikes Again – A Public Discussion about Recent Regulatory Actions,” presented by the Wall Street Blockchain Alliance. The panel discussed the implications of the SEC’s recent complaint alleging insider trading in several cryptocurrency tokens traded on Coinbase and other major exchanges.

The public discussion presented by the WSBA offers the opportunity to hear from leading legal and industry experts to discuss the implications of the SEC’s latest actions in this case, the reasons behind them, and their impact on the crypto world.
