## Cahill and the Wall Street Blockchain Alliance Presented “Crypto Enforcement in 2022 and Beyond” on October 28

**Friday, October 28, 2022 12:30 PM to Saturday, August 23, 2025 1:42 AM**

On Friday, October 28, Cahill and the Wall Street Blockchain Alliance (WSBA) presented a panel discussion on the leading enforcement issues in the cryptocurrency and blockchain space, featuring insights from regulators and in-house crypto lawyers. The program covered the below trending topics, among others:

- Focus of regulators and their enforcement priorities
- Registration of crypto exchanges
- Insider trading in crypto assets
- AML and OFAC compliance for crypto firms
- Recent bankruptcies in the crypto space

*Panelists:*

- **Mary Beth Buchanan**, Vice President, Cardano Foundation Board of Directors
- **Scott Hartman**, Chief, SDNY Securities and Commodities Fraud Task Force
- **Dean Sovolos**, General Counsel & Head of Regulatory Affairs, B2C2
- **Jorge Tenreiro**, Deputy Chief, SEC Crypto Assets and Cyber Unit

*Moderator:*

- **Samson A. Enzer**, Counsel and Co-Founder of Cahill's Crypto Practice (former Assistant United States Attorney in the SDNY and member of the Securities and Commodities Fraud Task Force)
