

Cahill Presents “Financing Airport Infrastructure in the U.S.” on April 19

Wednesday, April 19, 2023 4:00 PM to Thursday, January 1, 1970 12:00 AM

On Wednesday, April 19, Cahill presented a segment of our Infrastructure Webinar Series where the discussion focused on airport infrastructure in the United States.

Our panelists Jason Aingorn (Managing Director, ING Bank) and Richard Hoskins (Managing Director, Carlyle Global Infrastructure) highlighted the state of airport infrastructure in the U.S., key challenges to procuring large scale airport projects, and the outlook for further redevelopment projects like JFK T1 and T6 getting done. Emeka Chinwuba (Project Finance Partner, Cahill) moderated the session.
