

Brock Bosson Speaks at ACI's 18th Annual FCPA & Anti-Corruption for the Life Sciences Industry Conference

Wednesday, May 10, 2023 7:15 PM to Thursday, January 1, 1970 12:00 AM

Cahill partner Brock Bosson served as a panelist on the “Employee Compensation and Clawbacks: Compliance Program Best Practices Amid Increased DOJ Oversight” panel at the American Conference Institute’s (ACI) FCPA & Anti-Corruption for the Life Sciences Industry conference on Wednesday, May 10, 2023.

Brock’s panel discussed how life science companies should structure their employee compensation packages and better position themselves in the event of a DOJ inquiry or investigation amidst future DOJ evaluation of companies’ compliance programs.

The 18th Annual FCPA & Anti-Corruption for the Life Sciences Industry is the premier event for legal and compliance professionals from pharmaceutical, medical device, CRO, and biotechnology companies to connect, compare notes and expand their networks.
