

Cahill Sponsors SFNet's Women in Secured Finance Conference 2023

Tuesday, June 6, 2023 3:09 PM to Thursday, January 1, 1970 12:00 AM

Cahill is proud to sponsor Secured Finance Network's (SFNet) Women in Secured Finance Conference on June 14-15, 2023. The conference will discuss navigating economic, professional and personal change, as well as the challenges of our fluctuating economy, significant professional decisions and the sometimes overwhelming demands in our personal lives. The conference will feature Suzanne Yoon, founder and managing partner of Kinzie Capital Partners, and Sarah House, managing director and senior economics for Wells Fargo's Corporate and Investment Bank.

Founded in 1944, SFNet is an essential resource for all organizations and professionals who deliver and enable secured finance to businesses. The hub of a vibrant community, SFNet brings together the people, data, knowledge, tools, and insights that put capital to work.
