
Cahill Presents “District Energy & Cogeneration Projects in the U.S.” on September 13

Wednesday, September 13, 2023 4:35 PM to Thursday, January 1, 1970 12:00 AM

On Wednesday, September 13, Cahill will present the next segment of our Infrastructure Webinar Series where the discussion will focus on district energy and cogeneration projects in the United States.

Our panelists Jeremy Ebie (Co-Founder and Managing Partner, Phoenix Infrastructure Group) and Lawren Green (Senior Vice President, Kiewit Development Company) will unpack how district energy and cogeneration projects are successfully procured, financed and developed, as well as discuss any progressive and/or innovative trends emerging in respect of this asset class. Emeka Chinwuba (Project Finance Partner, Cahill) will moderate the session.
