
Jason Schwartz Speakers at “DAOs, ‘Decentralization,’ and the Emergence of the BORG”

Thursday, April 18, 2024 4:00 AM to Thursday, January 1, 1970 12:00 AM

Cahill partner Jason Schwartz spoke on the “DAOs, ‘Decentralization’ and the Emergence of the BORG” panel at Brown Rudnick’s Global Blockchain Conference 2024.

The panel covered recent case law and legal developments in the area of decentralization, decentralized autonomous organizations (DAOs), and legal liability. Panelists explored the emergence of cybernetic organizations (BORGs) as an emerging and alternative framework for thinking of decentralization and governance of autonomous and semi-autonomous systems.
