
Jason Schwartz Hosts “Is Everything Legal, Or...? Crypto Litigation and Regulatory Predictions for 2025” Webinar

Tuesday, March 4, 2025 5:00 AM to Thursday, January 1, 1970 12:00 AM

The webinar discussed what the self-styled, pro-crypto administration means for crypto; how market participants should be thinking about litigation, regulatory and tax risks going forward; and what role the plaintiff's bar will play.
