## Lewis Cohen Speaks at SIFMA's Ops 2025 Conference

**Wednesday, May 7, 2025 4:00 AM to Thursday, January 1, 1970 12:00 AM**

CahillNXT co-chair and partner Lewis Cohen will speak on the panel, "Integrating Crypto Assets into Traditional Business Models: Opportunities and Challenges," at SIFMA's Ops 2025 conference.

The panel will explore how traditionally regulated firms are approaching native digital assets, including the use cases, benefits, and challenges those firms face in the rapidly evolving regulatory environment.
