

## Alfonso Chan to Moderate Session at BIO's 2025 International Convention

**Monday, June 16, 2025 4:00 AM to Thursday, January 1, 1970 12:00 AM**

Cahill partner Alfonso Chan will moderate the breakout session, "Effective Use of the New European Patent System as Part of Your Global Patent Strategy," at BIO's 2025 International Convention in Boston.

The speakers participating in this session will address the significant UPC decisions made so far and offer insights on inter alia, the advantageous UPC criteria for both preliminary and permanent injunctions, and tactics for organizing portfolios for UPC litigation.
