## Jonathan Galea Speaks on MiCA Crypto Alliance Webinar

**Tuesday, July 15, 2025 4:00 AM to Thursday, January 1, 1970 12:00 AM**

Jonathan Galea, counsel in the CahillNXT Digital Assets & Emerging Technology practice, will speak on the webinar, “Defending Decentralisation: Why Bitcoin and Similar Assets Should Remain Out of Scope,” which is hosted by MiCA Crypto Alliance.

The webinar will discuss the whitepaper exemptions applicable to certain crypto-assets such as Bitcoin under the EU’s MiCA Regulation, the potential challenges faced by crypto asset service providers (CASPs), the implications of legal overreach on innovation, and pragmatic interpretations of “admission to trading” of exempted crypto-assets.
