## Jason Schwartz Featured on Jacob Robinson's 'Law of Code' Podcast

**Thursday, July 31, 2025 4:00 AM to Sunday, August 3, 2025 10:01 PM**

Jason Schwartz, a partner in the CahillNXT Digital Assets & Emerging Technology practice, has been featured on the "Law of Code" podcast.

On the episode titled "Crypto Tax Trends," Jason chats with host Jacob Robinson about how projects are approaching structuring, the rise of 501(c)(4) entities, common tax pitfalls with Cayman foundations, and how the IRS might soon leverage AI to change enforcement.

The "Law of Code" podcast features discussions with regulators, top lawyers, and entrepreneurs about the legal framework being built around blockchains, crypto, NFTs, and DAOs.
