
Lewis Rinaudo Cohen Appears on “Crypto in America” to Discuss the Senate’s Market Structure Legislation

Friday, January 16, 2026 5:00 AM to Friday, January 23, 2026 11:35 PM

Lewis Rinaudo Cohen, co-chair of CahillINXT’s Digital Assets and Emerging Technology practice, appeared on *Crypto in America* to discuss the Senate’s market structure legislation and its implications for the digital asset ecosystem. *Crypto in America* has become one of the leading media platforms covering digital asset policy, featuring senior policymakers and executives from major crypto companies. Earlier guests on the program included Kara Calvert, Head of U.S. Policy at Coinbase, and Jonathan Jachym, Global Head of Policy at Kraken.

The episode was broadcast live and is available to watch [here](#) and listen [here](#).
