## Ariel Goldman Speaks at J.P. Morgan's 2026 Global Leveraged Finance Conference

**Tuesday, March 3, 2026 5:00 AM to Thursday, March 5, 2026 6:55 PM**

Ariel Goldman, Cahill partner and U.S. Head of Cahill's Digital Infrastructure Finance practice, spoke on the panel titled "Structuring Considerations for AI and Data Center Financings" at J.P. Morgan's 2026 Global Leveraged Finance Conference in Miami, Florida.

On the panel, Ariel was joined by other industry leaders Jaime Ramirez of Milbank, Jonathan Jackson of Milbank, and Sabrina Shingwani of J.P. Morgan, to discuss structuring considerations and emerging financing trends related to AI-driven infrastructure and data center developments.
