
Sam Enzer Moderates Panel at the 2026 DC Blockchain Summit

Date: 03/12/26

Sam Enzer, co-chair of CahillINXT's Digital Assets and Emerging Technology practice, will serve as the moderator on the panel, "ETFs Were Step One: What Comes Next?," at the DC Blockchain Summit.

The panel will feature other leading crypto and digital asset experts, Jonathan Steinberg, Founder and CEO of WisdomTree Investments, Amy Oldenburg, Head of Digital Asset Strategy of Morgan Stanley, and Teddy Fusaro, President of Bitwise Asset Management.

The DC Blockchain Summit unites prominent figures in the blockchain and digital assets sector, fostering connections with leading policymakers and regulators to engage in vital conversations and discussions about matters that will shape the future of the blockchain industry.
