
Lewis Rinaudo Cohen Speaks on R3's Future Forum Webinar

Date: 03/31/26

Lewis Rinaudo Cohen, partner and co-chair of CahillNXT, will speak on the panel "Asset Managers as Market Architects: How Fund Tokenisation Is Rewiring Capital Markets Infrastructure" for R3's Future Forum webinar.

Lewis, and the other expert panelists, will discuss the optimization of asset management services in an on-chain operational framework, the operational and balance sheet benefits tokenization provides to asset managers, the design of new fund structures and investment products, and the aspects of the traditional capital markets stack need to adapt to stay pertinent.
