
Jeremy Duffy Speaks at NatWest UK Leveraged Finance Conference

Thursday, April 16, 2026 4:00 AM to Friday, April 10, 2026 6:59 PM

Jeremy Duffy, chair of the European Leveraged Finance practice and co-chair of the Digital Infrastructure Finance practice, will speak on the panel “Lender-on-Lender Violence” at the NatWest UK Leveraged Finance Conference.

Jeremy and the other fellow panelists will discuss recent developments and trends shaping lender-on-lender dynamics in the leveraged finance market.

The one-day program will provide a comprehensive blend of content related to the UK leveraged finance market, along with one-on-one meetings with issuers and investors.
