## Jason Schwartz to speak at PLI's Crypto Law 2026: Navigating the New Regulatory Paradigm

Wednesday, May 27, 2026 4:00 AM to 4:25 PM

Cahill partner Jason Schwartz will speak on the panel "Crypto Tax Developments: Broker Reporting, Staking Rewards & CARF Implementation" at Practising Law Institute's (PLI) Crypto Law 2026: Navigating the New Regulatory Paradigm.

Jason will discuss the rapidly evolving tax landscape for digital assets. The panel will also cover the implementation timeline and compliance strategies for crypto broker reporting rules, the taxation of staking rewards following IRS/Treasury guidance on ETPs, cross-border implications of the Crypto-Asset Reporting Framework (CARF), and state tax considerations and nexus issues for crypto business.
