## Gary Kalbaugh Spoke at the Digital Assets Financing Summit at the New York Stock Exchange

**Wednesday, June 24, 2026 4:00 AM to Monday, July 6, 2026 6:58 PM**

Cahill partner Gary Kalbaugh joined a panel at the Digital Assets Financing Summit, hosted by Intercontinental Exchange at the New York Stock Exchange. The panel examined the legal questions fundamental to designing scalable financing solutions for the digital assets markets capable of supporting broader institutional participation.

The invitation-only summit convened C-suite executives and other senior leaders from across the digital-asset and traditional finance industries.

The discussion comes amid accelerating institutional engagement with digital-asset market infrastructure.
