
Cahill to Host Panel on Financing Social Infrastructure Projects in the U.S.

Tuesday, October 20, 2026 4:00 AM to Wednesday, September 30, 2026 9:52 PM

Cahill will host a panel discussion on “Financing Social Infrastructure Projects in the U.S.” examining the current state of the U.S. social infrastructure market and key considerations for sponsors and developers. The discussion will explore available financing sources and products, trends impacting the sector, and the outlook for demand for social infrastructure assets and projects.

Moderated by Cahill partner Emeka Chinwuba, the panel will feature industry leaders Eivind Dueland of Boyd Watterson Asset Management, Lawren Green of Kiewit Development, Eric Lane of JLC Infrastructure, Evan Nahnsen of QIC, and Peter O'Neill of Standard Chartered Bank. The event will be held in person at Cahill's New York office at 32 Old Slip.

Date: Tuesday, October 20, 2026 | Time: 8:30–10:00 am ET
