# Lewis Rinaudo Cohen to Speak on PwC's "Exploring Vaults & Lending" Webinar

**Wednesday, November 4, 2026 5:00 AM to Monday, November 2, 2026 10:52 PM**

Lewis Rinaudo Cohen, partner and co-chair of CahillNXT, will speak on the "Exploring Vaults & Lending" webinar hosted by PwC.

Lewis, along with the other expert panelists, will explore the growing role of digital asset vaults and how they are creating new opportunities and changing traditional financial processes. The webinar will begin with an overview of digital asset vaults and how they are evolving, before moving on to a more technical explanation of their emerging real-world use cases and the technology and market opportunities they present across the finance sector. The panelists will also discuss the legal and regulatory questions they raise.

The webinar is part of PwC's educational series on digital assets and the evolving crypto ecosystem, designed for audiences with varying levels of familiarity with the topic. This program is eligible for CPE credit.
