Lisa Seifman to Speak at Bloomberg's Global Credit Forum 2026 – London

Wednesday, November 18, 2026 5:00 AM to Friday, November 6, 2026 6:45 PM

Cahill partner Lisa Seifman, co-chair of the firm's Digital Infrastructure Finance practice group, will speak on the panel "Financing the AI revolution" at *Bloomberg*'s Global Credit Forum 2026.

Lisa will join a panel of industry leaders, including Ben Richardson (CoreWeave), Eleanor Duncan (Bloomberg News), and Roald Nashi (Kirkland & Ellis LLP).

Hosted by Bloomberg News, Bloomberg Intelligence, and Bloomberg Television, the Global Credit Forum brings together some of the most influential voices in the credit industry. Together the panelists will explore where debt markets go from here, at a time when a historic debt-fueled race to develop artificial intelligence is coinciding with a growing list of geopolitical headwinds.
