
Cahill Represents Underwriters in \$79.2 Million Initial Public Offering of Home Diagnostics, Inc.

Date: 09/26/06

The firm represented the underwriters J.P. Morgan Securities Inc., Piper Jaffray & Co., Deutsche Bank Securities Inc. and William Blair & Company, LLC, in connection with the initial public offering of Home Diagnostics, Inc. (NASDAQ: HDIX), a developer, manufacturer and marketer of blood glucose monitoring systems.

The \$79.2 million offering made available 6,599,487 shares at an initial public offering price of \$12 per share. The underwriters were granted an option to purchase up to an additional 989,923 shares by certain selling stockholders to cover over-allotments, if any.
