
Cahill Represents Forbes in Formation of Forbes Media LLC

Date: 08/04/06

Cahill recently represented Forbes in its sale of a minority stake in a newly-formed company, Forbes Media, which includes the 89-year-old Forbes magazine; the Forbes.com Web site; and a number of smaller media properties, to private equity group Elevation Partners.

"This investment by Elevation Partners will now accelerate our pursuit of a number of very exciting opportunities for growth," said Steve Forbes in a statement. "The team brings impressive experience and great expertise, and they are particularly strong in technology, media and entertainment innovations."
