

Cahill Represents Initial Purchasers in \$625 Million Secondary Offering by Station Casinos

Date: 02/22/12

Cahill represented Deutsche Bank Securities and J.P. Morgan as joint book-running managers in connection with the secondary 144A offering of \$625,000,000 step-up notes held by affiliates of the initial purchasers as a result of their exchange of a portion of the senior secured debt they received in connection with the plan of reorganization of Station Casinos, Inc.
