

Cahill Represents Lead Arrangers in Amended Credit Facility for Scientific Games

Date: 10/01/14

Cahill represented the administrative agent and lead arrangers in connection with an amended credit facility, which includes a new \$2,000,000,000 Term B loan, and an increased revolving credit facility of \$567,589,285.71. Proceeds from the facility were placed into escrow and will be released upon completion of Scientific Games' acquisition of Bally's Technologies, Inc.
