
Cahill Represents UBS in in New Loans for Capsugel

Date: 04/11/16

Cahill represented UBS as administrative agent and lead arranger in connection with the borrowing of approximately \$834 million of new and extended term loans and approximately €100 million of new euro-denominated term loans. Proceeds from the facilities were used to repay certain existing indebtedness and for general corporate purposes. Capsugel is a leading company in the healthcare space, providing innovative dosage solutions to clients at every stage of the dosage form development process.
