
Cahill Represents Credit Suisse in Incremental Credit Facility and Repricing for Sirius Computer Solutions

Date: 11/02/16

Cahill represented Credit Suisse as lead arranger and administrative agent in connection with a new \$75,000,000 incremental term B loan, and the repricing of \$440,000,000 of existing term B loans for Sirius Computer Solutions, Inc., a national integrator of technology-based business solutions. Proceeds from the incremental loan were used for working capital.
