
Cahill Represents Lead Arrangers in \$250 Million Amended Credit Facility for Roller Bearing Company of America, Inc.

Date: 01/31/19

Cahill represented the lead arrangers in connection with an amendment to Roller Bearing Company of America, Inc.'s Credit Agreement with a new \$250,000,000 revolving credit facility, maturing January 31, 2024. The Company provides industrial, aerospace and defense customers with unique design solutions. Proceeds from the facility were used to refinance outstanding borrowings under the Company's existing revolving credit facility.
