
Cahill Represents Lead Arranger and Administrative Agent in \$375 Million Incremental Credit Facility for Ingevity Corporation

Date: 03/07/19

Cahill represented the lead arranger and administrative agent in connection with a \$375,000,000 incremental term A credit facility for Ingevity Corporation. Ingevity Corporation is a manufacturer of specialty chemicals and high performance activated carbon materials. Proceeds from the incremental term A credit facility will be used to repay borrowings under Ingevity Corporation's revolving credit facility.
