
Cahill Represents Lead Arrangers in Connection with \$1.9 Billion Term Loan and \$200 Million Revolving Credit Facilities for Telesat Canada

Date: 12/06/19

Cahill represented the lead arrangers in connection with an amendment to Telesat Canada and Telesat LLC's existing credit agreement. The amendment provided for a new \$1,908,500,000.00 term loan B credit facility and a new \$200,000,000.00 revolving credit facility. Proceeds of the new credit facilities were used, together with proceeds of a concurrent senior secured notes offering, to refinance existing indebtedness.
