
Cahill Represents Lead Arrangers in Amended Credit Facilities for CCC Information Services Inc.

Date: 02/14/20

Cahill represented the lead arrangers in connection with an amendment to, among other features, extend the maturity of CCC Information Services Inc.'s existing \$91,250,000 revolving credit facility and add \$1,375,000,000 to its existing incremental term loan B credit facility. Proceeds from the amended credit facilities were used to refinance existing indebtedness, pay off a second lien credit facility, and for general corporate purposes.
