
Cahill Represents Lead Arrangers in \$2.13 Billion Senior Secured Credit Facilities for Informatica LLC

Date: 10/29/21

Cahill represented the lead arrangers in connection with a \$1,875,000,000 term B loan credit facility and a \$250,000,000 revolving credit facility for Informatica LLC. Proceeds from the credit facility will be used, together with the net proceeds of the Company's initial public equity offering, to repay in full debt outstanding under the Company's existing senior secured credit facilities and for general corporate purposes.
