
Cahill Represents the Lead Arranger in \$115 Million Incremental Credit Facility for BBB.

Date: 12/17/21

Cahill represented the lead arranger in connection with a \$115 million incremental term loan for BBB Industries, a portfolio company of Genstar Capital Partners. Proceeds from the incremental credit facility will be used for general corporate purposes. BBB is an industry leader in the remanufacturing of starters, alternators, hydraulic and air disc brake calipers, power steering products and turbochargers for the original equipment manufacturer, personal and commercial vehicle aftermarket industries.
