
Cahill Litigation Team Prevails on Behalf of Credit Suisse

Date: 01/21/22

A Cahill litigation team prevailed on behalf of Credit Suisse in defeating a shareholder derivative suit brought by plaintiffs alleging that Credit Suisse and other defendants breached their fiduciary duties and engaged in civil conspiracy in connection with the Bayer's \$66 million acquisition of Monsanto. On December 27, 2021, the Supreme Court of the State of New York dismissed all claims against Credit Suisse and other defendants on *forum non conveniens* grounds, due in part to the tenuous connection between the litigation and New York.
