Date: 05/07/22

Cahill is proud to have sponsored the 40th Annual JDRF Greater New England Gala, “One Night,” on Saturday, May 7, 2022. The gala, held in person this year at the Boston Marriott Copley Place, honored Vertex Pharmaceuticals and Douglas Melton, Ph.D. in their combined efforts with JDRF to fund innovative type 1 diabetes (T1D) research through strategic research investments, advocating for government action and providing a support structure for the T1D community.

JDRF is the leading international nonprofit organization fighting to cure T1D while also helping those with T1D live healthy lives.
