Date: 05/11/22

Cahill is proud to have sponsored the Korean American Community Foundation's (KACF) 20th Anniversary Gala on Wednesday, May 11, 2022. Held in-person this year at Cipriani Wall Street in New York, the gala celebrated the accomplishments of the individuals and organizations of the KACF community who have worked to raise funds to support KACF's efforts to lift up Korean and Asian Americans and create a vibrant society where everyone can thrive.

Founded in 2002, KACF funds community-based non-profit organizations working to improve lives and transform communities in the Korean and Asian American communities in the greater New York area. Since its inception, KACF has awarded more than \$10 million in grants to promote the economic empowerment of those most vulnerable.
