

Cahill Sponsors the NJ LEEP Gala

Date: 05/24/22

Cahill is proud to sponsor NJ LEEP's 2022 Gala on Tuesday, May 24, 2022. This year's gala, held at Liberty House in Jersey City, will honor Michele Meyer-Shipp with the Community Impact Award for her commitment to diversity, equity, and inclusion and to the NJ LEEP community. The gala will also celebrate NJ LEEP's continued efforts to prepare low-income and first-generation youth to thrive in college and their careers, through academic and social-emotional skill building.

To learn more about NJ LEEP's work and this year's gala, please click here: <https://njleep.org/gala>.

NJ LEEP is a college access and success program serving low-income and first generation students and families in the greater Newark area. Founded in 2006, NJ LEEP now serves over 300 middle school, high school, and college students, and more than 300 family members through their free after school, Saturday, and summer programming.
