
Cahill Represents Underwriters in a \$550 Million Notes Offering for Vulcan Materials Company

Date: 03/03/23

Cahill represented the underwriters in connection with a public offering of \$550,000,000 aggregate principal amount of 5.800% notes due 2026 by Vulcan Materials Company. Proceeds from the offering were used to refinance existing indebtedness. Vulcan Materials Company is a supplier of construction aggregates and producer of aggregates-based construction materials.
