Cahill is proud to sponsor The New York Women's Foundation's 2023 Celebrating Women Breakfast on Thursday, May 4. This inclusive gathering brings together people from all walks of life to celebrate and uplift shared achievements and create an equitable and just future for all women and girls.

Since 1987, The New York Women's Foundation has advanced a dynamic philanthropic strategy based on the fundamental reality that, when women and gender-expansive people thrive, their families and communities also thrive. Cahill partner Helene Banks chairs the organization's Board of Directors.
