Date: 5/16/2023

Cahill is proud to sponsor GlamourGals Foundation's 10th Annual Illuminate Celebration on Tuesday, May 16 and congratulates the event's honorees, Stacey Bendet and Kristin Paiva. The Illuminate dinner provides critical funding towards GlamourGals Foundation's programming and operations.

Since 2000, the GlamourGals program has been fostering compassionate teen leaders who make a difference in the lives of seniors. Volunteers provide companionship, conversation, and signature programs of beauty makeovers to isolated seniors. GlamourGals National provides materials, leadership development, support, and recognition to help chapters be successful.
