
Cahill Represents Lead Arrangers in a \$1.25 Billion Credit Facility for MSCI Inc.

Date: 01/26/24

Cahill represented the lead arrangers in connection with a \$1,250,000,000 revolving credit facility for MSCI Inc. Proceeds from the credit facility will be used to prepay all loans outstanding under the borrower's existing credit facility and for general corporate purposes. MSCI is a leading provider of critical decision support tools and services for the global investment community.
